

# Standard Printer TTP247 . TTP345

***TSC TTP-247 thermal transfer desktop barcode printer series delivers more performance for the price than any other printer in its class.***

TSC TTP-247 runs at an impressive 7 ips, printing up to 4 inches wide at 203 dpi resolution and 5 ips with 300 dpi version. TTP-247 series printers operate at lower torque, reducing noise, decreasing wear and tear, and extending printer life.

TTP-247 user-friendly design makes it easy for operators to load and unload ribbons, and its 300-meter capacity is more than four times the industry-standard length for desktop printers.
